by electronic delivery

Dear Erdun E:

This letter agreement is to confirm your engagement as a contractor to Get Superstars, Inc., a Delaware corporation ("**Get Superstars**"), beginning on or about May 15, 2025.

The following terms and conditions apply with respect to your engagement, effective upon your start date, and also with respect to any services you may have provided and discussions we have had to date.

Position

You will be an independent contractor to Get Superstars, reporting to and working with any person Get Superstars may appoint as a liaison.

A general description of the engagement's scope of services is as follows: TITLE – Software Developer Intern. SCOPE – this is an Internship to complement your academic studies (an "Internship") and gain experience with a technology company, specifically the Company's platform "Superstars" featured on App Store, Google Play, the Company's website (www.superstars.co), and any associated Company websites (collectively, the "platform"). SERVICES DURING INTERNSHIP – 1. Mobile development for the platform. 2. Contributing to product development and improvement of the platform using Dart, HTML, CSS, Javascript, Angular, and any other relevant frameworks. 3. Helping on Company special projects. COMPENSATION – Internship will count towards academic credit as applicable. FUTURE – upon completion of the Internship or the Company's investment round (whichever is sooner), Company will at its discretion extend you new opportunity to increase your title, your role, and your compensation.

As an independent contractor, you will be self-supervised, and work out of your own office using your own equipment and development tools. You may continue any outside engagements and projects, subject to the conflict avoidance provisions of the attached "**General Terms**" attachment.

Compensation

You will receive a flat fee of \$20 upon your successful completion and Get Superstars' acceptance of the project agreed to between you and Get Superstars, subject to any adjustments you and Get Superstars mutually agree to with respect to partial completion, offsets, overages, change orders, cancellation fees, outside expenses, and the like. Any deposits or progress payments made by Get Superstars will be credited against payment.

You will be treated as an independent contractor, subject to 1099 reporting. This means you are responsible for your own taxes, and benefits. Expense reimbursements are subject to Get Superstars' expense policies then in effect.

Ability to terminate

Notwithstanding statements about future events, payment rates and periods, and the like, your initial and long-term engagement with Get Superstars will be "at will", meaning it may be terminated by either you or Get Superstars at any time, with or without cause. Upon termination, you will be entitled to compensation earned up to the termination date, but no prospective or ongoing fees.

Other conditions

As a condition to your initial and ongoing engagement by Get Superstars, you are required to execute and agree to the following additional agreements and policies as they may exist, which apply in addition to and consistent with, rather than instead of, the provisions in this letter.

1. A **“General Terms”** attachment covering expense reimbursements, pay, liability, contractor-related terms, and other items in more detail.
2. A **“Proprietary Information and Additional Covenants”** attachment, pertaining to authorship, inventions, confidentiality, nonsolicitation, and competition.

Your engagement, and your ongoing right to be retained by and receive compensation from Get Superstars, are further conditioned on your faithful, diligent and competent performance of your contractor-related duties; maintaining your eligibility to work as a contractor in the United States or other jurisdiction where you work; resolving conflicts if any, and the various conditions described in the General Terms attachment.

This letter, along with the other documents described above, sets forth the terms of your engagement by Get Superstars and supersedes any prior representations or agreements including, but not limited to, any representations made during pre engagement negotiations, whether written or oral. This letter may not be modified or amended except by a written agreement signed by Get Superstars and you.

Execution

You must sign this letter, agreeing to the attached documents as a condition for beginning your engagement. Get Superstars may retract or modify this offer at any time until you have done so, and it will also expire should you fail to join by or reasonably soon after the indicating start date, or never join.

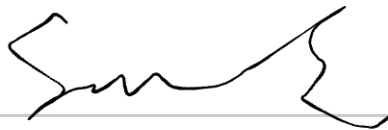

By executing this Contractor Engagement Agreement, you and Get Superstars agree to and accept the terms herein, as supplemented by the General Terms attachment, and also agree to and enter into the Proprietary Information and Other Covenants agreement, both of which are attached to this letter. You further represent that you have read and are familiar with these documents.
